We have kept a diary of what we have been up to and hope that you enjoy reading about our Term 2 learning journey.

The interactive whiteboard is used throughout the day to support learning. Jessica is practicing her handwriting, Tianii is learning to select and move her name on the board and TeAorangi is selecting her picture from a group of class photographs.

Joanne and Jessica demonstrate their laundry skills as they sort and fold clothes. Faisal, TeAorangi, Jessica and Joanne enjoy eating a meal while out on community access.

Sport and fitness are a focus for all students in high school.

Banksia class are proud of the work they did in science when they learnt about reptiles and amphibians.

Hoping all our families have a safe and enjoyable holiday and look forward to seeing all next term.
