Terms 2 & 3
We warmly welcome Megan our SLSO for this year and our new students who have come up from Wallaby class, namely Caitlyn and Nicholas, and of course we still have our usual suspects. As we have had a great start to the year with the students enjoying our routines and friendships. We were all enthusiastic judging by the participation during morning circle and artworks as a group. What a great start to 2012!

Terms 4 & 5
We have now settled into a good routine at school. The extra swimming session per week has really made a positive difference for all the students. We also are doing several joint class sessions with the other infant classes which provides greater social and communication opportunities for students. This includes sport, sensory and swimming with Wombat and primary playground with Wallaby class. One of the students favourite’s choices is the iPad, and the whiteboard.

Terms 6 & 7
On Wednesday 7th March we took part in Clean Up Australia Day. The students enjoyed going around to the different parts of the school that they don’t normally go to. We cleaned the front part of the school, the side part near the carpark, and the senior playground. Needless to say, by the time we left, the area was sparkling clean. The students and I had a lot of fun and it was for a good cause.

Terms 8 & 9
On Tuesday 20th March we performed at the school assembly. The audience was given a special treat with our dance to Grease Lightning. The students looked forward to performing and they all enjoyed their time on the stage. I’m very proud of them all.
