We have kept a weekly diary of what we have been up to and hope that you enjoy reading about our Term 2 learning journey.

Term 2 has been an exciting term for the Possum class. We have had a fantastic time reading the book ‘Belinda’ by Pamela Allen. All the students are developing the skills to recognise words within the text and take turns with reading. Our HSIE and science units are linked to the story and we have been looking at farms. All the students have had a great time learning about farms and how they are different to the city. The students have enjoyed looking at all the different farm animals and what their special jobs are on the farm.

As part of our farm unit we visited Belgenny Farm. It was great to see all the animals we had been learning about. With the help of Farmer Nathan we herded sheep, collected chicken eggs, located the cows and horses while on a tractor ride, watched cows being milked and fed a baby calf. It was a great day and we all had lots of fun.

Term 2 has also seen a new student enter the Possum class. Benjamin has settled well into his new school and is a valued member of the class.
