Possum Class Term 1 Newsletter

We hope that you enjoy reading about our Term 1 learning journey.

Well 2012 is well under way. It has not taken long for the students to get to know each other and settle into class routine. The Possum class has been working very hard this term and is demonstrating amazing talent. PM reading seems to be a class favourite and the students are very keen to show their knowledge of new words.

We have been having a great time reading Mr McGee. In the story Mr McGee lives under an apple tree. The students have had a great time looking at how different fruits and vegetables grow on trees and in the ground. They have been helping to look after the school fruit trees, by watering and checking to see if there are any new buds growing. We also had a lot of fun making Mr McGee out of balloons and experimenting with what happens when all the air leaves the balloon.

Twice a week the possum class goes swimming and this is proving to be a big hit. Emma are showing great skill and swimming laps of the pool. Goziem and Wayne are listening well during class and practising kicking and using big arms. While Zachary and Aleksandra are getting more confident and showing a growing independence. A great effort by all the Possums.
