Stepping Stones Triple P at M.B.S

Positive Parenting Program for parents/carers of children with a disability aged birth – 12 years

We would like to invite you to an information session about the Stepping Stones Positive Parenting Program for families and carers of children who have a disability. Mary Brooksbank School is offering a limited number of places to participate in this program free of charge as part of a collaborative trial with Westmead Children’s Hospital. The trial will be held at Mary Brooksbank School and will be facilitated by Sandi Sutherland and Pamela Carter. The Stepping Stones program aims to help you:

- manage problem behaviour and developmental issues common in children with disabilities
- encourage behaviour you like
- cope with stress
- develop a close relationship with your child
- teach your child new skills

If you are interested in this wonderful program, we would love you to join us on Thursday 1st March, 2012 to find out more. On this day we will provide you with an overview of what Stepping Stones Triple P involves followed by morning tea:

- **DATE**  Thursday 1st March, 2012
- **VENUE**  Mary Brooksbank School Media Room
- **TIME**  9:00 – 10:15am (9:00 am tea/coffee with a 9:30 am start)

Please tick the appropriate box and return the slip below as soon as possible.
