Wombat Class Term 1 Newsletter

We hope that you enjoy reading about our Term 1 learning journey.

**Weeks 1 & 2.** The beginning of a new year of learning and positive experiences for everyone in Wombat Class. All students have settled into their new classroom well and are becoming familiar with new routines and staff. We have all had a happy and fun start to the year.

**Weeks 3 & 4** During the last two weeks Wombats have been busy with our transport theme. We have enjoyed craft activities and watching dump trucks at work. Swimming is proving to be a very popular activity with all students and we all enjoy our time in the pool. Maths groups is another popular time in the week as it gives us a chance to mix with different students and staff.

**Weeks 5 & 6** Sport is another favourite activity and all students try very hard to participate. As the weeks have gone on we have seen a big improvement in skills that are being developed.

**Weeks 7 & 8** During the last few weeks we have been concentrating on work around PM Readers. All students enjoy the books on the IWB and the worksheets that follow. Our favourite book at the moment is Dad's Ship.

**Week 9 & 10** Another term draws to a close and we are very busy creating lots of lovely craft pieces for Easter. All students are looking forward to our annual Easter Hat Parade and the egg hunt to follow. We have had a great start to the year and are really enjoying working with all the students in Wombat Class. We hope that everyone has a happy and safe break and we look forward to another happy term of fun and learning.
